## Limited Liability Partnerships

### California Tax Information

Registration of a limited liability partnership with the California Secretary of State will obligate a limited liability partnership to pay to the California Franchise Tax Board an annual minimum tax of \$800.00. The tax is required to be paid for the taxable year of registration and each taxable year, or part thereof, until a [Notice of Change of Status](#) is filed with the California Secretary of State. (California Revenue and Taxation Code section [17948](#).)

A registered limited liability partnership is not subject to the taxes imposed by Revenue and Taxation Code section 17948 if the limited liability partnership did no business in California during the taxable year and the taxable year was 15 days or less. (California Revenue and Taxation Code section [17948.2](#).)
