

## Instructions for Completing the Certificate of Amendment of Articles of Incorporation – *Name Change Only - Stock* (Form AMDT-STK-NA)

To change the name of a domestic (formed in California) stock corporation, the corporation must file a Certificate of Amendment of Articles of Incorporation that meets the requirements of California Corporations Code sections [173](#), [193](#) and [900-908](#). Before submitting the completed form, you should consult with a private attorney for advice about your specific business needs. Note: Form AMDT-STK-NA has been created for ease in filing, however, any format may be used that meets statutory requirements.

### Form AMDT-STK-NA can be used:

- If the name change amendment is the only amendment being made by the corporation.
- If the name change amendment has been approved by at least a majority of the board of directors.
- If the corporation has authorized only a single class of shares.
- If the name change amendment has been approved by at least a majority of the shareholders.
- If the name change amendment is verified, dated, and signed by two corporate officers, as described in the instructions for [Item 5 below](#).

If the corporation does not meet all of the requirements listed above, Form AMDT-STK-NA cannot be used. Instead, you must compose a Certificate of Amendment that meets the statutory requirements of Sections [173](#), [193](#) and [900-907](#).
