Instructions

The attached sample can be used as a guide when drafting Restated Articles of Incorporation. The certificate should be typed following the instructions set forth below.

Restated Articles of Incorporation are most often made by the president and secretary of the corporation and for that reason the sample has been formatted using those officers. If the document will be signed by officers other than the president and secretary, or if the sample does not adequately cover the needs of the corporation, documents must be prepared with modifications to meet the specific requirements of the corporation. Please refer to California Corporations Code sections [5810-5820](#) (public benefit and religious corporations), sections [7810-7820](#) (mutual benefit corporations) or sections [12500-12510](#) (general cooperative corporations) prior to modification.

NOTE: If the corporation has not yet filed a Statement of Information (Form SI-100) pursuant to California Corporations Code section [6210](#), [8210](#), [9660](#) or [12570](#), the Restated Articles must retain the name and address of the initial agent for service of process, and if listed in the original Articles of Incorporation, the initial address and mailing address of the corporation and the names and addresses of the initial directors **exactly** as listed in the original Articles of Incorporation. If the corporation has filed Form SI-100, the Restated Articles cannot include the name and address of the agent for service of process, the street and mailing address for the corporation, or the names and addresses of officers and directors. Note: To update our records to show the current name and/or address of the agent for service of process, the street or mailing address of the corporation, and/or the names and addresses of the officers, you must file the Statement of Information. To file a Statement of Information, go to www.sos.ca.gov/business/bizfile/file-online.

- **Paragraph 1** - must set forth the current name of the corporation **exactly** as the name is of record with the Secretary of State (including punctuation and abbreviations), and the 7-digit Entity (File) Number issued to the corporation by the California Secretary of State at the time of registration.
- **Paragraph 2** – must set forth the entire text of the Articles of Incorporation, as amended.
- **Paragraph 3** - must state the amendment and restatement has been approved by the board of directors.
- **Paragraph 4** - must state the amendment and restatement has been approved by the required vote of the members. If the corporation has no members separate from the board of directors, member approval is not required. However, the certificate must state **the corporation has no members**.

DO NOT include both #4 paragraphs when preparing the document. Use ONLY the applicable statement.

- The certificate must be dated, signed and verified by the president and secretary. Each person's name and title should be typed directly below their respective signature.
